The 3PVRO might not deliver your application within the 10 days or by the registration deadline. You can choose instead to mail or deliver your application to your Supervisor of Elections or register online.

Identification (ID) Requirements to Register or Update Record

- A current and valid Florida driver license (FL DL#), or Florida ID card number (FL ID#), or last four digits of your Social Security number (SSN).
- Special requirements apply if registering by mail for the first time, never previously voted in Florida, and never issued a FL DL or ID card or SSN. You will be required to provide identification prior to voting.

Florida has Closed Primaries/Political Party Affiliation

- You must be registered with a political party to vote in that party's primary elections. However, in primary elections, all voters can vote on nonpartisan issues and for candidates in that partisan primary race if the candidates face no opposition in the general election.
- If registering for first time and you do not choose a party, you will be registered with no party affiliation (NPA). If you are already registered and do not choose a party, your party choice on record will remain the same.

Public Record

- Most voter information, including phone number and email address is public. Your signature may be viewed but not copied.
- The following is not public: FL DL#, FL ID#, SSN, where you registered to vote, and whether you declined to register or update your voter registration record at a voter registration agency or office that issues FL DL or FL ID cards.
