Broward County, FL – “It has come to my attention that a political action committee has distributed campaign literature featuring my photograph, name, and official title alongside recommendations concerning candidates and ballot questions in the November 3, 2026, General Election.

I want to make clear that I did not authorize, approve, participate in the preparation of, or consent to the use of my name or photograph in connection with these recommendations. I have no affiliation with the political action committee responsible for this publication.

As Broward County Supervisor of Elections and a member of the County Canvassing Board, I am committed to conducting elections fairly, impartially, and in accordance with Florida law. I do not endorse candidates or ballot initiatives, either in my official capacity or personally.
